Recent Developments

The COVID-19 pandemic has disrupted global health, economic and market conditions, which has triggered a period of slowdown in the global economy. The impact of the COVID-19 outbreak on the performance of the Class R Fund's investments will depend on future developments, including the duration and spread of the outbreak and related advisories, restrictions, and government interventions. It is not possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Class R Fund's portfolio companies in future periods. While the Class R Fund's manager, Westcap Mgt. Ltd. (the "Manager"), continues to monitor these developments generally, and particularly in connection with the Class R Fund's portfolio investments, it is not yet possible to reliably estimate the length and severity of these developments and the impact on the financial results and condition of the Class R Fund in future periods.

Related Party Transactions
