Invest Outside of an RRSP + 32.5% Tax Credit

Looking to invest in a non-registered account?

Paula doesn't want to invest in an RRSP but would still like tax credits. When investing in Golden Opportunities in a non-registered account she can still receive 32.5% in tax credits.

Have you reached your RRSP contribution limit?

If you have reached your RRSP contribution limit for the year, you can also make your investment outside of an RRSP for 32.5% in tax credits.

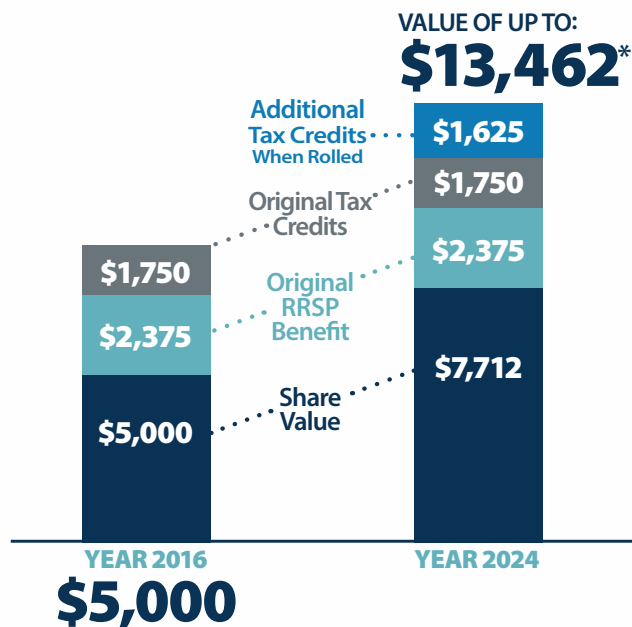

No longer able to contribute to an RRSP?

James is over 71 and can no longer invest in an RRSP, he can still invest in Golden Opportunities outside of an RRSP for 32.5% in tax credits.

Roll & Receive Extra Tax Credits

Get Started in 3 Easy Steps

When invested in Golden Opportunities for eight years, units become mature and can be “rolled”/reinvested for an additional 32.5% in tax credits **without investing any new money**. This can be done in perpetuity every eight years!

When added to the increase in share value that the Fund has generated over the last eight-year hold period, a \$5,000 investment made eight years ago can be rolled generating a value of up to \$13,462.*

*Based on a \$5,000 Class A-share investment made September 2, 2016, 35% in initial tax credits in 2016, 47.5% marginal tax rate, increase in share value as of September 6, 2024 and \$5,000 reinvested for 32.5% in additional tax credits for the 2024 tax year.

1 Choose your contribution method.

- ▶ Make a single payment whenever you choose (**Lump Sum** Contribution).
- ▶ Make a number of smaller payments automatically deducted from your **bank account** and invested into your Golden Opportunities account (Pre-authorized Contribution - PAC).
- ▶ Make a number of smaller payments automatically deducted from your **paycheque** and invested into your Golden Opportunities account (Payroll Investment Plan Contribution - PIP).

When you choose the Payroll Investment Plan Contribution method you receive your tax savings immediately at source every pay day. Visit GoPayrollPlan.ca for more information.

2 Choose your amount.

Receive tax credits on contributions between \$250 and \$5,000 annually with a Lump Sum Contribution or start with as little as \$25 monthly with a PAC, or anything in between.

3 Choose your frequency.

You can decide when you want to invest with the flexibility to change anytime.

TIP: Always find yourself scrambling at the last minute? Put saving for retirement on autopilot with a PAC and regular deposits will automatically be set-up and invested into your Golden Opportunities account.
